

Scholarship Terms & Conditions

Description

Scholarship recipients for the STEM Agency program are selected from among hundreds of applicants after a strenuous, and careful screening process. Many deserving candidates are declined grants to make space for the few we are able to fund.

We aim to bring fairness to all those who've joined the program, and to all those who would have joined the program had things turned out differently for them. It is also our collective token of appreciation to all those participants who paid for their seats in full, and made possible the use of our scholarship grants.

Terms & Conditions

As a scholarship recipient, you must agree and consent to complying with the following terms and conditions for the duration of the program:

1. You will never be absent* for more than 2 classes each month.
2. You will never miss team meetings twice in a row.
3. You will never miss project stakeholder meetings twice in a row.
4. If you are a team lead, you will never miss the weekly team leads meeting.
5. You will never miss assignment submission deadlines more than twice in a row.
6. You will never miss participation in sync and async coursework discussions twice in a row.
7. You will always provide prompt feedback on all in-program reviews and check-ins to ensure we're continuing to provide what you need.

* Note that any less than 75 minutes of presence per synchronous session is logged as absent, whether the participant is a scholarship recipient or a self-pay learner.

Compliance

We enforce a 3-strikes policy to ensure compliance. This implies you will attract the following consequences in case of non-compliance:

- A. 1st and 2nd strikes: Our team will reach out to your registered email checking in on you and seeking an explanation of the circumstances leading up to the strike. Failure to respond within 48 hours will result in another strike.
- B. 3rd strike: You'll be disinvited from the program, and lose all access with no recourse.

Acknowledgement

If you are a recipient of our scholarship grant, you must electronically consent to the terms and conditions that will apply throughout the duration of the program, and will require your continuous compliance for you to retain your scholarship seat.
